

**Delta School District  
My Blueprint Consent Letter**

Dear Parent/Guardian,

The Delta School District is implementing an education resource called myBlueprint ([www.myBlueprint.ca](http://www.myBlueprint.ca)) to support grades 8-12 students with documenting their learning, planning their education, and making more informed decisions about their future. This online tool provides support for the Secondary Careers curriculum and offers students a digital portfolio space. MyBlueprint is used by thousands of schools across Canada to support curriculum and student success.

Once consent is granted, a student's account is created using a data extract from the District Student Information System. This allows students to easily log in, explore their skills and interests, reflect on their learning, and have a complete list of their courses for planning towards graduation.

Using MyBlueprint involves the sharing and storing of two types of personal information:

- Student's name, grade level, school name, Secondary course record, and Delta student number
- Any documents or information created or uploaded onto My Blueprint by students may contain personal information reasonable for educational purposes.

As an online service hosted in Canada, myBlueprint is bound by both federal and provincial Privacy Laws. Please review the myBlueprint Privacy Pledge/Policy ([www.myBlueprint.ca/privacy](http://www.myBlueprint.ca/privacy)) and Terms of Service ([www.myBlueprint.ca/terms](http://www.myBlueprint.ca/terms)) for more information.

This letter of informed consent is to ask permission for your child to be granted a Delta My Blueprint account for educational purposes. You may withdraw your consent in writing at any time. If you choose not to provide your consent, your child will not be penalized in any way and alternate activities will be provided as appropriate.

**Consent:**

I have read this consent form and understand that my child's personal information may be collected, used and disclosed for educational purposes as outlined in the myBlueprint Privacy Policy and Terms of Service. This consent will be considered valid from the date it is expressed until which point the student named below is no longer a student within the Delta School District, or permission has been withdrawn.

Please express your consent by clicking the checkbox on the Parent Connect Portal for My Blueprint

## MyBlueprint Instructions

MyBlueprint is an online tool that students will use to build portfolios of learning and fulfill the requirements for Career Education 8-12 at Seaquam.

My Blueprint collects some student information, parent consent is required to activate an account. Parents provide consent through Parent Connect. Once consent is granted, new accounts are created automatically each night.

**If you have not already given consent on Parent Connect, please follow the following steps:  
If you have completed this, please skip to the section below.**

1. If you have not already done so, please log onto Parent Connect. [www.cimsweb.deltasd.bc.ca](http://www.cimsweb.deltasd.bc.ca)
