

Hello all Seaquam Parents,

Welcome back to the new school year and a special welcome to all of our new Seaquam families.

As a PAC we are planning to continue having PAC meetings during the year but we know it will look different as we need to continue to be responsible and maintain social distance as much as possible. There are a few possible ways to do this and we are trying to find the most effective ways. For the month of September we would like to host a PAC meeting on Monday, September 28th at 6:30 PM in the school auditorium. In this larger space and with designated seats which are distanced apart we could allow 35 people to join us in person for the meeting. We ask that you email us at sequampac@deltasd.bc.ca to RSVP if you would like to attend and we will notify you if there is room on a first come first serve basis of emails received. If you are attending, a mask will be required. We also invite you, whether you are able to attend the meeting or not, to submit any questions that you might have for the PAC or Principal in advance so that we can address them in report format. The report will be posted on the school website within 48 hours of the meeting to update everyone of what was discussed. Please submit your questions by Thursday, September 24th to sequampac@deltasd.bc.ca .

A list of PAC meeting dates is posted on the school website, we will continue to try to gather either in person or remotely and will update you on that in the months ahead.

Also, as a result of the shutdown, we didn't have our regular April elections. At this time each executive is willing to continue for the year ahead, however, if you are interested in an executive position please put your name forward and we can vote on those positions. If no names come forward we will appoint the current positions until our next elections in April.

If at any time you have any questions or concerns during the year, you are always invited to email us and we can follow up to provide answers as soon as possible.

Sincerely

Seaquam PAC
