Dear Families and Students,

This weekend brings us Mother's Day where we honour and pay tribute to Mothers or significant female role models. We do not express enough the importance of our mothers in our lives and their ongoing love and support of our pursuits in life. I encourage everyone to try this weekend to tell your mom how much they mean to them and express your love for them. It should not take a day as a reminder to honour our mothers and we should be continuously telling them how important they are in our lives. Thank you to all our mothers in the community. Happy Mother's Day!

Friday and Saturday night is your last chance to see the play. It is great and has 85 students participating in the acting, singing and staff crews. Come out and watch. Do you need your car cleaned? Got any recycling you don't want. The Dry Grad parents are hosting a 4 in 1 event - check out the information below.

We got news on Friday that Mr. Nikic will be moving school as of August 1. He has been at Seaquam for 4 years and we certainly appreciate his dedications to students, families, staff and extra curricular activities. He will be missed. He is being replaced by Ms. Collander from Delta Secondary.

Take care everyone.

Walk Across the Stage speech:

On the evening of the Grad Commencement, each grad will have their name called and photo displayed during their 15 seconds on stage. In that moment, a staff member will read a short statement about what that student's future plans are or state perhaps, thank you to the people responsible for getting them to this milestone.

We request that each grad reflects on their journey and their next steps and captures that in a short statement to be read. Our expectation is that this statement is respectful and positive and adds to the general celebratory vibe of the evening. Consider connecting with a teacher if you are not sure if your comment meets that expectation. Keep the comment short and around 3 sentences max.

Due immediately! - Any students who do not contribute a statement will have a generic comment read in its place.

A reminder that if Grads are not going to Dry Grad then a parent/guardian is going to have to pick up their students at the Banquet when it ends. I would encourage Grads to attend Dry Grad.
