

June 2, 2023

Dear Families and Students,

Another great week at Seaquam. The Grads beat the staff in a great softball game afterschool on Thursday. Students have been enjoying treats from candidates running for Prim Minister. The sun has encouraged many students to each outside and enjoy the sun with friends.

Next week as have the One Act Plays on Wednesday and Thursday night. The grade 8's and 9's will have a dance on Wednesday starting at 5:30. Thursday is the Career and Hiring Fair, see below. Then there is the Red Carpet event and Grad Banquet on Saturday, June 10.

Remember to check up and see how your student is doing in classes and encourage them to work hard right up until the end.

Take care and enjoy the fine weather.

Car Wash at Seaquam

This Saturday, June 3 at Seaquam in the back parking lot with the Mr. Kinahan and the Auto 11 class, we are holding a carwash / detailing day. It runs from 9am to 3pm.

Part of our curriculum is to have the students learn how to wash and detail a car. They have been practicing the proper procedures and techniques and using the appropriate materials and solutions to wash the outside of cars, the engine bay, and wheels. They have also been learning how to clean the floor mats, vacuum the inside of cabs, clean around doors / sills, and dashes. Windows are always a fun job to get right.

The cost for this priceless service is by donation. (Some places will charge anywhere from \$50.00 to \$120.00 for a detailed vehicle). All proceeds will be donated to our Life Skills Program. A few of our Life Skill students have been instrumental in getting this program going and have become valuable members of our detail crew. Some Life Skills students will be graduating this year and we would like to give them a fantastic send-off.

Your patronage is welcomed and appreciated.

Career and Hiring Fair

The Career & Hiring Fair is a week away (June 8 starting at 12:30pm). Below is the list of very diverse (40 exhibitors and counting!)! This will be an amazing way for students to connect with employers and post-secondary institutions! We are encouraging as many students as possible to come and explore. If you are interested, please see Mr. Nikic or Ms. Gehiere and get a **field trip** permission form.
