

May 3, 2024

Dear Families and Students,

Cinderella had a wonderful run this week. There were over 100 students and volunteers who participated the musical on. Congratulations to Ms. Gardner for the tireless effort in putting this on.

The VEX Robotic Championships were this past week in Dallas. Seaquam had three teams entered. Both of our senior teams and our one junior team gave it their all and we didn't come home empty handed. We brought back a senior Think Award (top ten programming out of 850 teams) and a junior Design Award (top six in design documentation out of 450 teams). We also made it into the semi-finals in two of our three divisions! Well done teams. Thanks to the parents and Mr. Singbiel that made all this happened.

Take care and enjoy the weekend.

### **Music Monday**

The 20th Anniversary of Music Monday is taking place on Monday, May 6th! Our Music Monday Concert is all about celebrating music as the first Monday of May every year is a chance for our country to celebrate music all around Canada. We are so proud of this program that has continued to raise awareness of the importance of access to quality, inclusive music education in our schools and in our communities. Since 2005, more than 4 million Canadians have participated in Music Monday!

In 2023, 175,000 students participated in Music Monday and the national music education awareness campaign reached 1.6 million across the country.

The concert begins at 7:00pm in the theatre and will feature the following ensembles: Concert Band, Jazz Band, Concert Choir, and Wind Ensemble. In this special event, we welcome two guest ensembles to the concert- the Delta Concert Band (a wonderful local community band that rehearses at Seaquam) and the Delta Secondary Choir. Each of our guest ensembles will be collaborating and performing with our ensembles. We are all very excited!

Admission is free, donations are welcome to support the music program- we are currently looking to purchase some much needed music stand carts to use for our music room and for concerts. Doors will open around 6:30 pm.

We look forward to sharing our music with you in this special event!

### **Dry Grad 2024 News/Updates:**
