Dear Families and Students,

Another busy week with lots of anticipation in the air. On Tuesday afterschool the Seaquam Ball Hockey team finished second in the Provincials. They played really and had an excellent season. Thanks to the coaches and players. Seaquam hosted a Grade 7 parent night that was very well attended. The Grade 7 had an opportunity to explore the school with the PE leadership 12 students. On Wednesday night we honoured the Department and Major Award winners. This was a fabulous night that highlighted the excellence across many boundaries in the school. It is one of my favourite nights of the year. On Thursday night Ms. Chan hosted the final music concert of the year. Performances were by the wind ensemble, choir, jazz band and concert band. It was a great evening that was culminated by speeches of the Grade 12's. Powerful stuff.

One more week of regular classes. Please check out the bell schedule for each day next week.

Take care and enjoy the weekend.

Year books

Yearbooks will be given out on Friday, June 21 in Block A classes. . A couple of things to remember - we do not have any additional books to sell. We are only giving out books to those that bought one earlier in the year and who have no outstanding fees. **If you have outstanding fees, they need to be paid off before you can get your book.** Check the "Fees" tab in Parent connect to see if you

owe any money and/or have paid for a Yearbook. Also we do not give out yearbooks early. We are open all summer and you can come in then to get it.

Locker Clean Out

Ideally students will be out of their lockers at the end of day on June 21. Exceptions will be made for those students who are attending Course Completion Days.

Grads and Parents

Please see the newsletter that was sent to Grads and Families on June 6. It is also posted on the school website under Grad 2024.

Europe 2026

There will be a parent meeting on Wednesday June 19th at 6:00pm in Seaquam's Library to hear all about the spring break trip of 2026. This trip is open to grades 8 - 10 who are in good academic standing. We will be traveling with EF tours and will be traveling to Switzerland, South of France, Italy and Spain.

Course Completion Days

These are a few extra days after regular classes end for students to work with teachers to finish off and complete learning requirements. The dates are June 24, 25 and 26. Teachers will have office hours and students will sign up for times with them to come in and complete their learning. Teachers will have a "Flex" type sign-up for students on Student Connect.

Cafeteria Menu

The Cafeteria will only be open for food service on Monday and Tuesday next week.
