

Announcement for Monday, December 9, 2024

We would like to acknowledge the traditional territory of the Tsawwassen and Musqueam First Nations and all of the Coast Salish peoples who have been stewards of this land since time immemorial and on whose land, we live, learn and play. We would also like to offer our respect to all the Elders who have gone before us, the indigenous people who are with us today and to all Canadians who are on the journey of Reconciliation. We offer gratitude to the Musqueam people who honour our school with the name, Seaquam, which in their language means sunshine.

Congratulations our **Robotics Teams** who competed in Port Moody on Saturday. 9181G earned first place in skills and qualified for the provincial championship! Together with 9181C they placed 2nd in the elimination round and both teams earned Tournament Finalists awards. It was an incredible show of teamwork and skill from all our robotics teams. Stay tuned for more to come next weekend when Seaquam Robotics faces off against our biggest rivals: West Vancouver.

Mr. Singbeil also wants robotics students to know that the shop will NOT be open today but it will be open late from Tuesday to Friday this week.

Make sure to stop by, spread some holiday cheer, and help out those in need! Thanks, Seaquam.
