

Announcement for Friday, Oct 11th 2024

We would like to acknowledge the traditional territory of the Tsawwassen and Musqueam First Nations and all of the Coast Salish peoples who have been stewards of this land since time immemorial. We offer respect to the elders who have gone before us, the indigenous peoples here today and all of us on the journey of Reconciliation. Have a wonderful weekend on this beautiful land where we live, play and learn.

Do you have a passion for gears and servo motors? Do you like building and programming machines? Then you should join the robotics club! We are currently accepting applications from grade 8 and 9 students. There will be an info session on Tuesday, October 15th at lunch in room 1540. See you there!
