

## **Announcement for Monday, October 28, 2024**

*We would like to acknowledge the traditional territory of the Tsawwassen and Musqueam First Nations and all of the Coast Salish peoples who have been stewards of this land since time immemorial and on whose land, we live, learn and play. We would also like to offer our respect to all the Elders who have gone before us, the indigenous people who are with us today and to all Canadians who are on the journey of Reconciliation. We offer gratitude to the Musqueam people who honour our school with the name, Seaquam, which in their language means sunshine.*
