December 20, 2024

Dear Families and Students,

We had a great week. Spirit week was well embraced by the students and staff. Grad Santa breakfast saw over 120 Grads come for waffles and sausages. Friday, we had an altered bell schedule where the senior students went to the Theatre for some performances by staff and the junior students danced in the gym. There was a lot of fun for everyone all week long.

On behalf of the Seaquam staff, we would like to wish you and your family a great holiday season. Please stay healthy and enjoy yourself. We are back to school on Monday, January 6. It will be a day 1.

Take care and have a great two week Winter Break.

### **Seaquam Growth Plan**

Seaquam is working on creating a 3 year growth plan that focuses on Student Success. We have narrowed down the focus to be on Resiliency. We are noticing a lack of this since COVID. Under the umbrella of Resiliency, we are going to focus on topics like: self-regulation/self-discipline; attendance; strategies on how to learn and study; trauma informed lens when working/supporting students; literacy; independence and how to help students deal with stress and anxious moments. We can not tackle all of these at one time, so we are going to spend the next few months developing a year one plan for September 2025. We will also look to introduce some ideas this spring. The goal of all of this is to focus on students' social and emotional health and their academic success here at Seaquam. If you have any questions about this Plan, please reach out to me personally.
