

2025 Red Carpet Arrival Times

- **Arrive on time** to avoid long line-ups. We want to maximize your time for photos with friends and family.
- You do not have to be attending the banquet or dry grad to participate in red carpet. All grads are welcome to participate in red carpet, even if for some reason you are not on this list!
- There will be 3 stars on the red carpet. As you walk the red carpet, pause at each star for your family to take photos of you.
- Family will be permitted inside the ropes to take photos when it is each grad's turn to walk the carpet.
- Reminders:
 - There is no parking in the school parking lots as they are closed for the event.
 - Wear sunscreen
