

SEAQUAM SECONDARY SCHOOL

11584 Lyon Road, Delta BC V4E 2K4

P: (604) 591-6166

June 27, 2025

Dear Families and Students,

On behalf of the entire Seaquam community we want to wish all of you a happy and safe summer. It has been an amazing year! So much success, fun and learning.

Report cards went out last night and are available on MyEd and Parent Connect.

There will be an August email to families and students by August 22. In it will detail the start up, what is happening on the first day, how to request course changes, how to see your schedule, and many other very useful things. Your new Principal, Ken Headley will be sending that out.

Next year, Seaquam will be implementing a school growth plan focusing on resilience. Two particular areas that we are going to work on is attendance and self-regulation. There is a great deal of research that ties attendance and academic success. As you are planning for the next school year and vacations, please do not to take your student out of school for any length of time. It is so important that they attend all classes. More details will come out in September about both self-regulation and attendance policies at Seaquam.

It has been an honour to work at Seaquam for 7.5 years first as a vice principal and then as the principal. The staff, students and community make this school as good as it can be. As I move into retirement at the end of July I will leave many fond memories of my time here. Ken Headley will be taking over for me. News flash, Ms. Margaret Callander, Vice Principal, will not be returning to Seaquam this September. She has taken on a position as Principal of a school in Ladner. I would like to welcome Ms. Rebeca Rubio to Seaquam as a vice principal. She has spent the last year working at Burnsvew. Both new to Seaquam admin are fabulous and you are in good hands with them.

Enjoy the summer!

Summer office hours

The school office will be open almost each day from 9am-2pm during the summer. Please call the school to make sure we are open – 604 591 6166.

Seaquam Track and Field

Construction of the new track and field facilities began on Monday, June 23 and will continue into the fall, during which time the track and field will remain closed to the public. The track is expected to be open for use later in the fall, before closing again in spring 2026 to enable installation of the synthetic running surface. The grass infield will remain closed until September 2026 to enable the grass time to establish a strong root system. We are excited to greatly improve the quality of our field for our Physical Education and Athletics programs and would like to thank the City of Delta for

making these upgrades a reality. For more information, please visit: <https://letstalk.delta.ca/seaquamtrack>

Football:

The team is looking for more players to be a part of the Seaquam team for the upcoming fall season. We have both a junior and senior varsity teams. Contact Navin Chand for more information – navin.n.chand@gmail.com.

Message from Minister Lisa Beare

Please click on [this link](#) to read a year-end message from the Minister of Education and Child Care, Lisa Beare. (alternatively, copy and paste the following into your web browser: <https://district.public.deltasd.bc.ca/wp-content/uploads/sites/2/2025/06/Letter-to-Parents-MLB-letterhead-June-2025.pdf>)

Reminder: Parent/Caregiver Communications Survey

The district is interested in finding out which communication channels work best for parents/caregivers. Please take a moment to complete a quick, anonymous survey. To begin the survey, click the following link, or copy and paste it into your browser: <https://forms.gle/QLPhfQPCMbLkPMq8> The deadline for completing the survey is **Monday, June 30**.
