1. Please enter attendance on MyEd and on the following Google Form <https://forms.gle/tHcQVGy8YQD2MR5V8> (on TEAMS in September Start Up Channel). If you do not see a student's name on your class list in MyEd, then they are not enrolled in your class. Refer any students not on your class list to the Library right away.
2. Assign lockers and record the student name and combinations on the Google Document <https://shorturl.at/osEzC> Please complete the Google Doc by the end of the week. If you have extra lockers or need more, please let Mike know. Reminder: students can buy locks at the office (\$11).
3. Encourage students to copy their schedule into the MySchoolDay App schedule on their phones. Instructions for students are on the school website (Student Resources tab).

4. Remind students that schedule change requests must be made through the Google Form on the school website, not by visiting or emailing a counsellor. They may, of course, visit a counsellor for other counselling needs.

5. Escort students to the Cafeteria for photos at the time listed below. Please direct students back to your classroom when they've completed their pictures.
6. Teachers of grade 10 & 12 classes are asked to walk their classes to the assembly. Teachers may return to their classroom immediately afterwards if they happen to have students in other grades in that class.
7. The bell and/or our administration will dismiss students at the end of their session. Do not dismiss students from their homeroom until the bell or PA announcement.
